Customs & Logistics

Company Profile

---

**LAGHEZZA**  
Customs & Logistics

## **LOGISTICS AND CUSTOMS TAILORED SOLUTIONS**

**Laghezza SpA** is an independent Italian company, a reliable partner, offering tailored customs and logistics for companies operating across international markets.

A leader in advisory and digital customs services, Laghezza SpA provides solutions through an efficient mix of experience, expertise and an extensive nationwide network. The

Logistic BU features extensive dry-port areas with customs warehouses, where different kinds of goods can be managed, stored and distributed via an efficient own transport fleet. In an ever changing sector Laghezza SpA invests in innovation and training, aiming to deliver the best customs and logistics solutions to the market.

Values like reliability, competence and passion have always been a source of inspiration for Laghezza SpA. In an ever changing sector, the company consistently invests in professional training and innovation, aiming to deliver the best bespoke solutions to its customers.

## OWNERSHIP AND MANAGEMENT

The company is owned by the Laghezza family, with a participation by current Vice-President Massimo Frolla.

**President Alessandro Laghezza**, Owner & CEO, has an in-depth knowledge and a clear vision of the international trade business, resulting from his education, the titles obtained and the experience acquired in the industry.

Alongside his entrepreneurial activities, he is also involved in key institutional activities and serves as a member in several industry associations.

All **directors and board members** are qualified managers actively involved in the company's strategic decisions and mission.

The 250-strong staff team on the Italian territory work to obtain the same goals and according to shared and well-established ethical values.

## CUSTOMS AND LOGISTICS SOLUTIONS

- VAT warehouses
- Temporary storage warehouses
- Private customs warehouses for the storage of goods abroad

**TRANSPORTS**  
Divisions

## **FLEXIBLE, EFFICIENT AND SAFE TRANSPORT SOLUTIONS**

A FLEET IS ALWAYS  
ON THE MOVE

The company guarantees the full, end-to-end management and handling of all types of merchandise and has a strong operational footprint and capabilities at the major ports of La Spezia, Genoa, and Leghorn.

The company has its **own fleet of vehicles** and works with trustworthy partners in the industry, to offer flexible and competitive solutions to meet all the customers' needs.

Our dedicated team **monitors all transports by satellite** and operates on H24 digital platforms with an additional option for vehicle tracking.

We also offer **intermodal transport services**, which are currently available for Marzaglia, Melzo and Padua railway stations, and planning to extend the service to other hubs.

**Insurance coverage** is provided by leading companies.

“ TRUST OUR TRANSPORT  
SERVICES, OUR EXPERIENCE,  
OUR CUSTOMIZED SOLUTIONS ”
